October 27, 2017

Dear Fellow Clean Water Neighbor:

We are preparing for our 78th Annual Meeting of the Morris County Conservation District. The big event is scheduled to be held on January 27, 2018, east of Council Grove on Highway 56 at the Morris County Community Center.

We publish a "Conservation Edition" each year in the local Council Grove Republican newspaper. We are asking you to please write an article about "**Conservation**" or "**Water Quality**" as it relates to your profession for publication in this issue.

We will need your article turned in to us by January 5, 2018, so that we have time to arrange the special newspaper edition. Please mail your article, bring to the office, or email me at the above address. You may also submit any pictures or clip art you might have with your article, and I'm encouraging you to do so. Thanks for your help, and you are more than welcome to attend the meeting and meal. Tickets in advance are \$3.00, and are available at local banks or the USDA Service Center office. Serving of the meal will begin at 6:30 p.m. on January 27th. Thanks again for your effort in making the public aware of **Conservation** and **Water Quality**.

Sincerely yours,

Jo Bea Titus - Hutchinson
